New! EFIC Education Platform

The [EFIC Education Platform](#) will feature the most comprehensive selection of lectures and presentations recorded at congresses and pain schools hosted by the European Pain Federation EFIC.

Every week it will bring you a selection of previously unavailable scientific and educational content as a learning resource.

Over the coming months the EFIC Education Platform will become your go-to source for high quality independent content, selected and delivered by thought leaders from the world of pain medicine.

Please subscribe [here](#) to receive our E-newsletter to stay up to date with all the new content EFIC will post on the platform!
